Document Date	2026-02-18
Upload Date	2026-02-18
Author	Dr. Synthetic Allergist
Encounter Id	P2-ENC-002
Evidence Ids	EV-P2-006

Reviewed History

EVIDENCE ID: EV-P2-006

The available history is consistent with generalized urticaria after amoxicillin in 2019. The record does not establish prior anaphylaxis.

Reconciliation Statement

The external specialist supports retaining an active amoxicillin allergy record while avoiding unsupported escalation of reaction severity.

Synthetic evaluation record - not for clinical use.
